Páginas: 22 tarjetas + libro a todo color

Dimensiones: 8 x 14,5 cm

Encuadernación: Estuche (libro + cartas)

PVP.: 22,00 €

SINOPSIS

Jodorowsky, eclectic movie director, writer and Tarot expert, is mostly known for the bestselling book "the Way of Tarot". Few know that he also wrote this book, with Kazan - the cat who believed himself a man - his faithful companion as a guide. It is a book with a strange visionary feeling, simple with words and extremely deep in insights: a book that follows the 22 cards - Majors only - deck illustrated by Christian Gaudin.
